Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding on behalf of the Joseph House Community Outreach Center and the Endeavors project for fiscal year 2023 to the Subcommittee on MILCON/Veterans Affairs.

This request of \$978,000.00 is to assist veterans and their families in need of emergency services because of life changing situations, ranging from hurricanes to unemployment. Requested funds for Joseph House will be used to address food insecurities, small household appliances, and veteran's organizations and events to support Houston's growing veteran population. Additionally, this funding will go towards the Endeavors project of manufacturing of a 53-foot mobile vital services center, which will help better assist communities with healthcare delivery and case management services. Endeavors is a national provider of case management including healthcare, disaster survivors, homeless youth, homeless veterans, and migrant youth.

I certify that neither I nor my immediate family has any financial interest in any of these projects.

Very truly yours,

Sheila Jackson Lee
